Then whisk together the butter, flour and milk and add 1 cup shredded cheddar cheese.

Place bowl in microwave and cook on high for 1 1/2-2 minutes, whisking every 30 seconds or so, until sauce is thick and heated through.

Season with salt, if desired, whisk until blended.

SPRING SUCCULENTS

MATERIALS

-  Balsa Wood
-  Craft Paint
-  Hot Glue Gun
-  Scissors
-  Foil Tape
-  Soil
-  Succulents
-  Glue

WHAT TO DO

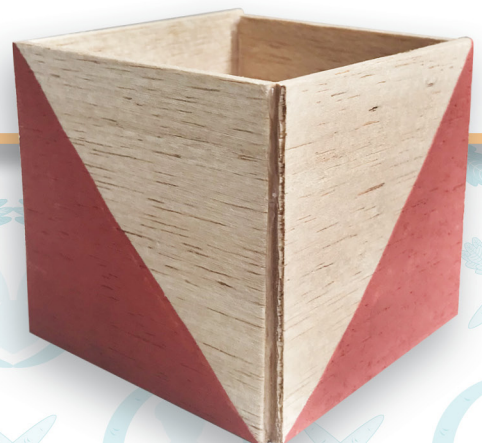

First, use your scissors to cut the balsa wood into 3in. squares. You'll need 5 per planter.

Then use your hot glue gun to assemble the squares into a box. Add extra glue on the inside to close up any small gaps.

Next, it's time to paint. Pick any colors you like and do some simple color blocking. Don't worry about your lines being perfect, because once dry you will cover them with the foil tape.

WHAT TO DO

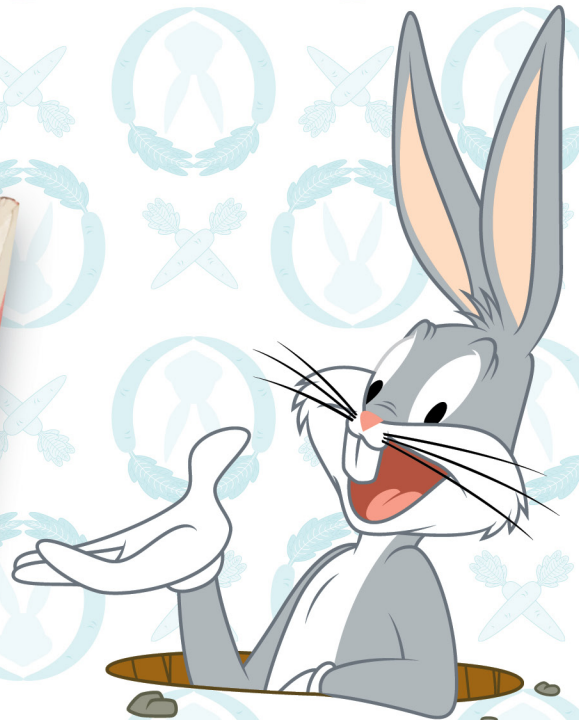

Next, cut out your chosen Looney Tune character and glue them to one panel of your box.

Then, add your foil tape across the paint edges, trimming as needed.

Finally, add a little soil and your chosen succulent, and you are done! This planter is a great way to bring a little spring indoors and makes a great gift.
